

ALLEGHENY COUNTY HEALTH DEPARTMENT

The ACHD is seeking comments on the following draft permits. Copies of documents are open for public inspection by request at aqpermits@alleghenycounty.us or 412-578-8115. Written comments may be submitted to the Department at 301 39th Street, Pittsburgh, PA 15201 or by e-mail at aqpermits@alleghenycounty.us by the end of the day on Monday, February 28, 2022. A public hearing will be held at the Clairton Municipal Building, 551 Ravensburg Blvd., Clairton, 15025 regarding the proposed issuance of these permits on Tuesday, February 22, 2022, at 6 pm*. Persons wishing to present testimony should register at least 24 hours in advance of the hearing. Please use the public hearing participation form at <https://alleghenycounty.us/ParticipationForm> and select the hearing for "February 22 Air Permits". Additional information will be provided on the Department's permits webpage at <https://alleghenycounty.us/AQnotices>. If by 12 pm on February 17, 2022, no person has expressed interest in testifying at the hearing, the hearing will be cancelled. If the hearing is cancelled, the Department will provide public notice on the webpage or through the contact information listed above. Comments to previously issued installation or operating permits that are being modified will be accepted on the modified language only.

Also where indicated, this is notice of final action by the Department of issuance, amendment, renewal, or denial of the subject permit. Appeals to final actions may be filed in accordance with Article XI of the County Health Department Regulations and the Pa. Local Agency Law, 2 Pa. C.S.A. 101 et seq., 551 et seq., & 751 et seq., within 30 days of the date of publication of this notice to the Director, Allegheny County Health Department, 542 Fourth Avenue, Pittsburgh, PA 15219.

***Note:** This hearing may be held virtually to maintain safety precautions due to COVID-19. Details regarding the location and how to attend or otherwise participate in the hearing will be provided on the Department's permits webpage <https://alleghenycounty.us/AQnotices> and emailed to registered participants closer to the hearing date.

INTENT TO ISSUE MAJOR SOURCE (TITLE V) PERMITS

Under Article XXI, §2103.11.e. and §2103.21.c, notice is hereby given that the Allegheny County Health Department intends to issue a Title V Operating Permit to the following major facilities subject to the operating permit requirements under Title V of the Federal Clean Air Act and Article XXI, Part C, Subparts 1 and 2. The Administrator of the EPA is being notified of this proposed action.

UNITED STATES STEEL – CLAIRTON PLANT (0052), 400 State Street, Clairton, PA 15025-1004, for the renewal of the Title V Operating Permit for the operation of a byproduct recovery coke plant consisting of 10 coke oven batteries that produce approximately 10,000 tons of metallurgical coke per day. The coke produced is used in the blast furnace operations in the production of molten iron for steel making. During the coking process, approximately 215 million cubic feet of coke oven gas are produced. The volatile products of coal contained in the coke oven gas are recovered in the by-products plant. In addition to the coke oven gas, daily production of these byproducts includes 145,000 gallons of crude coal tar, 55,000 gallons of light oil, 35 tons of elemental sulfur, and 50 tons of anhydrous ammonia. The facility is a major source of particulate matter, carbon monoxide, sulfur oxides, nitrogen oxides, volatile organic compounds and hazardous air pollutants, as defined in Section 2101.20 of Article XXI. This facility is subject to the Federal Coke MACT 40 CFR Part 63, Subpart CCCC and Reasonable Available Control Technology (RACT). There are no source(s) at the facility that are subject to Compliance Assurance Monitoring (CAM) pursuant to 40 CFR Part 64. The proposed Title V operating permit contains all applicable regulatory requirements including monitoring, recordkeeping and reporting conditions.
